**\*UPDATED AGENDA AND ATTACHMENT\***

Dear all

I provide below an agenda for the meeting this afternoon.

For your convenience, I have also attached a copy of the comments on the GovTeams (and link before) which I have retrieved this morning.

[https://govteams.sharepoint.com/:w:/s/dpreg/Ee4S9e\\_wOWZLqw1ttJx2kAgBXx3jYIKfCHrdPpTFz-pxag?e=crJge6](https://govteams.sharepoint.com/:w:/s/dpreg/Ee4S9e_wOWZLqw1ttJx2kAgBXx3jYIKfCHrdPpTFz-pxag?e=crJge6)

I have also reviewed the comments and tried to list on the agenda some issues emerging. However, do not worry if your particular comment is not captured below as we can ensure everything is captured – I just thought it was helpful to flag some of the questions raised.

- c. **Upcoming** events / information that may be of interest to others
- d. Any new actions proposed
  - a. CSIRO/Data 61 session on AI/algorithms (ACCC – refer attachment)

### 3. Objective: Settle Workplan

The purpose of this meeting is to discuss the work-plan document ahead of the 16 September steering committee meeting. Ideally, we would like to provide the workplan to the steering committee and provide a brief oral update.

The below items for discussion have been prepared based on the comments that have been put in the document on GovTeams:

**3.1 Chair to introduce work-plan (ACCC) and to facilitate page turn of comments on workplan** (prompts below)

#### 3.2 General comments:

- \* Comments on framing – review of comments on the who/what/how, consistency with other workplans
- \* Measure success – should this be in reference to goals, or in relation to specific deliverables?
- \* Should a lead be assigned to each workstream?

#### 3.3 Workstream 1 – Algorithms

- \* Should we move the algorithm workshop (currently November) forward?
- \* Overall purpose of task – are we capturing everything we want?
- \* Clarify purpose of workshop
- \* Should we also be producing a written internal document (OAIC comment)
- \* How can we share news and research info – e.g. comment re news and Research Hub / news tracker
- \* Any other comments

#### 3.4 Work stream 2 - Horizon scanning

- \* Should we push the workshop back?
- \* Purpose of task and action items to prepare

#### 3.5 Workstream 3 – Analysis of technologies

- \* Interaction with algorithms workstream?
- \* Discuss comments

#### 3.6 Workstream 4 – External engagement

- \* Update re item for discussion at steering committee
- \* Proactive/reactive
- \* Discuss any other comments

### 4. Next steps and next meeting
