Subject: Proposed amalgamation of BPAY, eftpos and NPPA - submissions received on application for merger authorisation [SEC=OFFICIAL] [ACCC-ACCCANDAER.FID2835968]

Dear Sharon and Christopher,

The ACCC has updated its [public register](#) to include 23 public submissions regarding the proposed amalgamation of BPAY, eftpos and NPPA.

Should Industry Committee Administration wish to provide a submission in response to these submissions, we ask that the response be received no later than COB Wednesday 19 May 2021.

I note that we may publish a small number of additional public submissions in response to the ACCC's market inquiries letter. I further note that the ACCC has decided to accept interested party submissions on Geoff Edwards' final economic report by Wednesday 12 May 2021. We will provide you any submissions and advise of the response date in due course.

A copy of this email and any response (subject to any request for material to be excluded) will be placed on the ACCC's public register.

Best regards,

Alex Reed
