Hi [REDACTED], just wondering if there is any update on dispute?

Hi [REDACTED], not much at this stage except that we are on track to make a determination by mid-October. We'll let you know if that date changes or if we need any further information but nothing right now.

Ok. I thought 4 Oct was the deadline?

Hi again, just confirming that 16 October is the latest date by which we must make a dispute determination.

Ok, thanks!
