Dear Sharon and Christopher,

The ACCC has updated its [public register](#) to include 4 additional public submissions regarding the proposed amalgamation of BPAY, eftpos and NPPA.

Should Industry Committee Administration wish to provide a submission in response to these submissions, and the 8 submissions flagged in my email below, we ask that the response be received no later than COB Friday 28 May 2021.

A copy of this email and any response (subject to any request for material to be excluded) will be placed on the ACCC's public register.

Best regards,

Alex Reed
