Dear Mr Ducommun

Merger authorisation (MA1000018) lodged by AP Eagers – request for material to be excluded from the public register

I refer to Hyundai Motor Company Australia's (Hyundai) submission of 28 May 2019 to the Australian Competition and Consumer Commission (ACCC) regarding the above merger application for authorisation for authorisation.

I have considered your request for certain information in Hyundai's 'confidential submission' and Appendix 1 (in its entirety) to be excluded from the public register.

The ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on its public register. A person submitting a document in relation to an authorisation application may request that the document, or parts of it, be excluded from the public register due to the nature of certain information it contains.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that identified information in Hyundai's 'confidential submission' and Appendix 1 (in its entirety) will be excluded from the public register. I note that Hyundai also provided a public version of its submission. This version will be placed on the public register in the form it was provided to the ACCC.

This letter has also been placed on the public register.

Should you have any questions in relation to this matter, please contact Jaime Martin on (03) 9290 1477 (or at jaime.martin@accc.gov.au).

Yours sincerely

David Jones
