Dear Ms Van Beelen

### **Extension of decision-making period for NBN Co's Cost Allocation Manual**

I am writing to notify NBN Co that pursuant to clause 2G.6.3(e) of NBN Co's Special Access Undertaking (SAU), the ACCC has extended its decision-making period for NBN Co's proposed Cost Allocation Manual (CAM) until 16 April 2024.

Under clause 2G.6.3(b) of the SAU, the ACCC may approve the proposed CAM in either the form submitted or a form that incorporates reasonable changes made by the ACCC. Clause 2G.6.3(c) provides that where the ACCC does not notify NBN Co of its decision to approve a CAM within 3 months of its submission, the applicable CAM will be the proposed CAM submitted by NBN Co, unless the period referred to in clause 2G.6.3(c) is extended.

As NBN Co submitted its proposed CAM to the ACCC on 16 November 2023, the relevant period for the purposes of clause 2G.6.3(c) was to end on 16 February 2024, unless extended.

The ACCC has, pursuant to clause 2G.6.3(e), decided to extend the period referred to in clause 2G.6.3(c) by 2 months to consider the information provided by NBN Co in support of the CAM along with stakeholder views received during public consultation on this matter.

This notice will be published on the ACCC's website.

Yours sincerely

Sarah Proudfoot  
Executive General Manager, Infrastructure Division
