Dear Mr Home

Telstra Corporation Limited - Ordinary Exemption Applications

We refer to Telstra's applications for exemption from the standard access obligations in respect of the declared WLR and LCS services of 9 July 2007 and 12 October 2007, and attach both a confidential and a public version of a report from Professor Martin Cave in relation to his views on whether the exemption is in the long term interests of end users.

Some citations are made in the report to confidential documents. For ease of reference, Table 1, which provides the equivalent page references to publicly available documents, is attached to this letter.

Telstra is happy for this letter to be placed on the Commission's website.

Yours sincerely

Tony Warren
Executive Director – Regulatory Affairs
Public Policy and Communications
