Dear Mr Wright

**Telstra's Band 2 ULLS Undertaking - Responses to Ovum and Europe Economics Report**

I refer to Telstra's response to the Advisory Notes prepared for the ACCC by Ovum and the report prepared by Europe Economics for Singtel Optus submitted to the ACCC on 8 April 2009.

Annexure C of Professor Martin Cave's report contains a list of references referred to in his report. This letter (delivered by hand to the ACCC's Sydney offices) attaches Annexure C and a CD which contains a soft copy of the documents listed in Annexure C.

We note that the publication entitled "*Accounting for Regulation in UK Utilities*" (ICAEW, 1994) authored by Professor Cave, A Carey, R Duncan, G Houston and K Langford, has not been provided in the attached CD. We have placed an order for the publication with the Institute of Chartered Accountants in England and Wales (ICAEW).<sup>1</sup> We have been advised that the publication may take up to 14 days to despatch from the UK. A copy will be provided to you upon receipt.

**Confidentiality status**

Telstra **does not** claim confidentiality over:
