Dear Ms van Beelen

Re: Exemptions variation inquiry – Request for extension of submission deadline

On 23 September 2011, you wrote to the ACCC requesting a two week extension to the deadline for Telstra's submission to the issues paper for the ACCC's inquiry into varying the exemption provisions in the final access determinations (FADs) for the WLR, LCS and PSTN OA services. I am responding to that letter on Michael Cosgrave's behalf.

The ACCC agrees to Telstra's request for an extension. We have decided to extend the due date for submissions to the issues paper to 14 October 2011 for all parties and will notify other parties accordingly, including via the ACCC website.

If you have any queries, please contact Annette Weier on (03) 9290 6911.

Yours sincerely
