TELSTRA ORDINARY ACCESS UNDERTAKING TO THE AUSTRALIAN COMPETITION AND CONSUMER COMMISSION UNDER DIVISION 5 OF PART XIC OF THE TRADE PRACTICES ACT 1974 (CTH)

Date:

3 March 2008

Parties:

TELSTRA CORPORATION LIMITED (ABN 33 051 775 556)

having its registered office at 242 Exhibition Street, Melbourne,

Victoria, 3000 ("Telstra")

in favour of:

AUSTRALIAN COMPETITION AND CONSUMER

COMMISSION being a body corporate established under section 6A

of the Trade Practices Act 1974 (Cth) ("ACCC")

Recitals:

- A. Telstra holds a carrier licence and is a carriage service provider under the *Telecommunications Act 1997* (Cth) ("Telecommunications Act").
- B. Telstra gives this ordinary access undertaking pursuant to, and only for the purposes of, Division 5 of Part XIC of the *Trade Practices Act 1974* (Cth) ("TPA") in relation to the Unconditioned Local Loop Service (the "Declared Service"). The Declared Service is presently a service of a kind "declared" by the ACCC under section 152AL(3) of the TPA.
- C. For the avoidance of doubt, the terms and conditions specified in this Undertaking:
 - (a) principally relate to matters of pricing, and do not cover other matters relating to the supply of the Telstra Unconditioned Local Loop Service upon which Telstra and the Access Seeker must reach agreement for the supply of the Telstra Unconditioned Local Loop Service; and
 - (b) do not apply to, and should not be taken as being indicative of, any terms and conditions on which Telstra may decide to offer to comply with its standard access obligations in relation to any other declared services.
- D. Notwithstanding the above, Telstra does not consider that Part XIC of the TPA is valid, *inter alia*, insofar as it seeks to

regulate the Declared Service and, in this regard, has commenced proceedings No S42 of 2007 in the High Court of Australia ("**Proceedings**"). Further, Telstra does not consider that, even if Part XIC of the TPA is valid insofar as it seeks to regulate the Declared Service, the Declared Service is or remains validly declared under Part XIC. This Undertaking is therefore given:

- (a) without prejudice to Telstra's contentions or the Proceedings that the Declared Service is not validly regulated by Part XIC; and
- (b) in the event that, contrary to Telstra's contentions, Part XIC does validly regulate access to, and supply of, the Declared Service.

If Telstra's contentions are correct, then this Undertaking is of no effect and is withdrawn.

- E. In the event that, contrary to Telstra's contentions:
 - (a) Part XIC is valid and is capable of regulating access to and supply of the Declared Service;
 - (b) the Declared Service is presently a validly declared service under Part XIC; and
 - (c) Part XIC does, in fact, regulate access to and the supply of the Declared Service,

then this Undertaking remains in force, the price(s) set out in this Undertaking do not represent, and should not be taken to represent, just terms (within the meaning of section 51(xxxi) of the Constitution) or reasonable compensation within the meaning of section 152EB of the TPA with respect to the supply of the Declared Service (whether that supply is pursuant to this Undertaking or otherwise) or the price which Telstra would be prepared to offer or accept for the supply of the Declared Service if it had regard to ordinary commercial considerations.

Operative provisions:

 - (i) an expression which is given a particular meaning in the Telecommunications Act or the TPA and which is not otherwise defined in this Undertaking has that meaning in this Undertaking.
- 1.3 Headings are included for convenience and do not affect the interpretation of this Undertaking.

2 Commencement and Duration

- 2.1 This Undertaking comes into operation immediately after acceptance of the Undertaking by the ACCC under Division 5 of Part XIC of the TPA and continues, subject to paragraph 3.2(b), until the earlier to occur of:
 - (a) 31 December 2010;

(d) a finding, order or declaration by a court of competent jurisdiction that Part XIC of the TPA is invalid as it relates to the Declared Service or that the Declared Service is not a service of a kind to which a valid declaration under Part XIC is in force.

3 Undertaking Terms and Conditions

- 3.1 Telstra undertakes to the ACCC that during the period this Undertaking is in effect pursuant to clause 2.1, it will comply with the terms and conditions specified in the Attachment to this Undertaking in relation to the standard access obligations applicable to Telstra in respect of the Declared Service.
- 3.2 For the avoidance of any doubt, this Undertaking:
 - does not specify all the terms and conditions on which Telstra will comply with the standard access obligations that are applicable to it in respect of the Declared Service referred to in clause 3.1, but only some of them, and therefore does not constitute an offer by Telstra to provide the Telstra Unconditioned Local Loop Service to an Access Seeker;
 - (b) does not apply to the Declared Service to the extent that there are no standard access obligations applicable to Telstra in respect of the Declared Service for reasons including, without limitation, the granting of an exemption by the ACCC under section 152AT of the TPA in respect of the Declared Service or the variation or revocation of a declaration by the ACCC under section 152AO of the TPA in respect of the Declared Service;
 - (c) may be withdrawn by Telstra at any time;
 - (d) is given:
 - (i) without prejudice to Telstra's contention that the Declared Service is not validly regulated by Part XIC;
 - (ii) without prejudice to Telstra's contention that the Declared Service is not the subject of a valid declaration which is still in force; and
 - (iii) in the event that, contrary to Telstra's contentions, Part XIC does regulate access to, and the supply of, the Declared Service; and
 - (e) is of no effect and will be withdrawn if any of Telstra's contentions described in clause 3.2(d) are correct or Telstra is successful in the Proceedings.

4 Notice of Withdrawal, Replacement and Variation of this Access Undertaking

- 4.1 If the ACCC varies a declaration relating to the Declared Service, Telstra may give the ACCC notice of a variation of this Undertaking under section 152BY of the TPA to effect variations of an equivalent nature, and to the extent reasonably necessary, to maintain consistency between this Undertaking and the varied declaration.
- 4.2 If:
 - (a) a Legislative Event occurs and that Legislative Event materially affects the rights or obligations of Telstra under this Undertaking; or
 - (b) a Regulatory Event occurs in relation to Telstra; or
 - (c) a Regulator or Telstra considers that a part of this Undertaking contravenes any provision of the Telecommunications Act, the Telecommunications (Transitional Provisions and Consequential Amendments) Act 1997 (Cth), the Telstra Corporation Act 1991 (Cth), the Telecommunications (Consumer Protection and Service Standards) Act 1999 (Cth) or the TPA,

Telstra may give the ACCC notice of a variation of this Undertaking under section 152BY of the TPA or notice of a replacement of this Undertaking under section 152CB of the TPA to effect such variations as are necessary or appropriate to comply with or address the Legislative Event or Regulatory Event or the concerns set out in clause 4.2(c), as the case may be.

4.3 Nothing in this clause 4 is to be taken as limiting Telstra's rights or the ACCC's powers and responsibilities in relation to this Undertaking under Division 5 of Part XIC of the TPA.
