Your response:

Please provide response to consumer experience question:

This week (27/4/24) in the Woolies specials as advertised, it is claimed that either \$1 a kg or \$2.80 a kg is being saved on lamb leg roasts t \$9 a kg. These lamb leg roast have been available since December 23 for \$8 a kg. I am in fact losing money by this advertised special as the price of the legs of lamb went up to \$10 per kg last week for the one week before this special started. I have pictures and receipts to verify this.
