Qantas vs Perth Airport

Hi everyone,

Welcome to the next Economic Network presentation.

The Economic Network invites you to **The Qantas vs Perth Airport case discussion** on **Monday 4 April 2022 at 3pm (AEST)**.

We look forward to seeing you there!

At this presentation, George Siolis from RBB Economics will discuss the recent Perth Airport v Qantas [judgement](#). In this case, Qantas thought the fees at Perth Airport were too high and decided that it should only pay what it thought was fair and reasonable.

The discussion will focus on the different economic methodologies presented by Perth Airport and Qantas used to determine what is fair and reasonable.
