Hi Michele – I have actually returned to my 'home' area of the agency in telecommunications regulation. I have copied the new director of the Airports and Ports team Gennady Kleiner who I'm sure would be pleased to meet with you sometime soon.

Cheers
Andrew

Hi Andrew,

Anna Pritchard was kind enough to pass me your details.

Anna and I manage the Qantas Group engagement with the Airline Competition Taskforce and we thought there would be value in setting up a separate discussion involving the ACCC Airports Monitoring team and relevant Qantas stakeholders on issues more directly relevant to your airports monitoring role.

If you agree this engagement could be valuable, we were hoping to arrange the first of these meetings in the near future.

Akin to our dealings with the Airline Competition Taskforce, we would plan to share a list of Qantas attendees and possible agenda items in advance.

We look forward to hearing from you with your initial feedback. Happy to discuss further at any time.

If you are no longer involved in the Airports & Ports aspect of the ACCC regulatory function, please feel free to pass this email on to the appropriate person.

Kind regards, Michele
