<b>Product</b>	
<b>Name</b>	Jarrah Outdoor - Sink
<b>Brand</b>	
<b>Description</b>	This great Outdoor Range, designed to enhance and extend the exciting world of role play. Each piece is constructed with a powder coated steel frame with Jarrah timber sides, solid laminate shelves and an acrylic back for added stability. Jarrah is a natural and ideal timber for outdoor use. The solid laminate lends an extremely strong and durable detail to the designs as it is tough will not distort or change colour in the elements, it will withstand the test of time. The clever interactive design of this unit incorporates an authentic water pump that the children will love! Water is pumped up from the connecting tube when it is placed in a bucket of water. It also includes a stainless steel sink.

**What action(s) have you taken or intend to take in relation to the product or service**

Contacted manufacturer to enquire if they had any record of injury caused by this item, they did not. Conducted an internal safety assessment of the item and concluded that the metal faucet end could be sharp if stood on under pressure however due to the intended use of the product the item poses very little or no risk for injury. This product had already been discontinued by Bellbird as the item had been withdrawn by the supplier due to lack of ability to supply Bellbird in a timely manner. Due to this injury Bellbird has withdrawn our remaining available stock [5 units] from sale and will return to the manufacturer. A record of all purchases of this item within the the G8 group has been provided to their management for review. We are waiting for further feedback prior to taking any further action.

## Jarrah Outdoor – Sink

SKU: 158964

### Description

This great outdoor sink is designed to enhance and extend the exciting world of role play. Each piece within the Outdoor range is constructed with a powder coated steel frame with Jarrah timber sides, solid laminate shelves and an acrylic back for added stability. Jarrah is a natural and ideal timber for outdoor use. The solid laminate lends an extremely strong and durable detail to the designs as it is tough, will not distort or change colour in the elements, it will withstand the test of time. The clever interactive design of this unit incorporates an authentic water pump that the children will love! Water is pumped up from the connecting tube when it is placed in a bucket of water. It also includes a stainless-steel sink.

**Dimensions:** Size: 29 x 51 x 66cmH

**Weight:** 20kg

**Manufactured In:** AUSTRALIA

### Assembly and installation Instructions:

The unit is delivered fully assembled and only requires the tap to be attached. Attachment is done by placing the tap assembly through the hole in the top of the bench, align the tap faucet over the sink, screw the locknut from under the bench and then connect the flexible hose.

Please ensure this item is placed on a solid and even surface to prevent it from tipping over.

Please contact our customer service team in Melbourne if you require any further details or assistance on 1300 365 268
