Thanks Vyt.

We plan to notify stakeholders directly of the date change tomorrow. Is there a generic DISER email we can include in that in case they have any questions etc?

Cheers,
Adam.

Hi Adam

I have now received notification that the *Competition and Consumer (Industry Code-Electricity Retail) Amendment (Determination) Regulations 2022* was signed by the Governor-General at yesterday's ExCo meeting.

I will let you know when the Regulations have been registered on the Federal Register of Legislation, which is likely to happen on either Tuesday or Wednesday next week.

Regards

Adam

Hi Adam,

Thanks for sending you email address over. In regards to notifying the AER on Friday morning of EXCO's decision, could you please send an email to myself, Jimmy and Simon (CC'ed in this email).

As discussed on the phone, it would be greatly appreciated if we could be notified as early as possible on Friday.
