Hi Elise

I was speaking with Scott and Rod earlier this week about Scott doing a background briefing for 60 Minutes around Indigenous art. The producer, Grace, would like to try and chat with Scott this week if possible. I said I would try for Friday but due to other commitments Monday would most likely be the earliest he would be available.

Elise, Scott, can you let me know when you might have some time? I'm copying in Catia so I can join the call if you are able to find a time.

Thanks
Elise
