
**TELSTRA ORDINARY ACCESS UNDERTAKING
TO THE AUSTRALIAN COMPETITION AND
CONSUMER COMMISSION UNDER DIVISION 5 OF
PART XIC OF THE TRADE PRACTICES ACT 1974
(CTH)**

Date: 21 December 2007

Parties: **TELSTRA CORPORATION LIMITED (ABN 33 051 775 556)**
having its registered office at 242 Exhibition Street, Melbourne,
Victoria, 3000 (“**Telstra**”)

in favour of:

**AUSTRALIAN COMPETITION AND CONSUMER
COMMISSION** being a body corporate established under section 6A
of the *Trade Practices Act 1974* (Cth) (“**ACCC**”)

Recitals:

- A. Telstra holds a carrier licence and is a carriage service provider under the *Telecommunications Act 1997* (Cth) (“**Telecommunications Act**”).
- B. Telstra gives this ordinary access undertaking pursuant to, and only for the purposes of, Division 5 of Part XIC of the *Trade Practices Act 1974* (Cth) (“**TPA**”) in relation to the Unconditioned Local Loop Service (the “**Declared Service**”). The Declared Service is presently a service of a kind “declared” by the ACCC under section 152AL(3) of the TPA.
- C. For the avoidance of doubt, the terms and conditions specified in this Undertaking:
 - (a) principally relate to matters of pricing, and do not cover other matters relating to the supply of the Telstra Unconditioned Local Loop Service upon which Telstra and the Access Seeker must reach agreement for the supply of the Telstra Unconditioned Local Loop Service; and
 - (b) do not apply to, and should not be taken as being indicative of, any terms and conditions on which Telstra may decide to offer to comply with its standard access obligations in relation to any other declared services.
- D. Notwithstanding the above, Telstra does not consider that Part XIC of the TPA is valid, *inter alia*, insofar as it seeks to

regulate the Declared Service and, in this regard, has commenced proceedings No S42 of 2007 in the High Court of Australia (“**Proceedings**”). Further, Telstra does not consider that, even if Part XIC of the TPA is valid insofar as it seeks to regulate the Declared Service, the Declared Service is or remains validly declared under Part XIC. This Undertaking is therefore given:

- (a) without prejudice to Telstra’s contentions or the Proceedings that the Declared Service is not validly regulated by Part XIC; and
- (b) in the event that, contrary to Telstra’s contentions, Part XIC does validly regulate access to, and supply of, the Declared Service.

If Telstra’s contentions are correct, then this Undertaking is of no effect and is withdrawn.

E. In the event that, contrary to Telstra’s contentions:

- (a) Part XIC is valid and is capable of regulating access to and supply of the Declared Service;
- (b) the Declared Service is presently a validly declared service under Part XIC; and
- (c) Part XIC does, in fact, regulate access to and the supply of the Declared Service,

then this Undertaking remains in force, the price(s) set out in this Undertaking do not represent, and should not be taken to represent, just terms (within the meaning of section 51(xxxi) of the *Constitution*) or reasonable compensation within the meaning of section 152EB of the TPA with respect to the supply of the Declared Service (whether that supply is pursuant to this Undertaking or otherwise) or the price which Telstra would be prepared to offer or accept for the supply of the Declared Service if it had regard to ordinary commercial considerations.

Operative provisions:

1 Definitions and Interpretation

1.1 The following terms shall have the meanings set out below unless the context otherwise requires:

Access Seeker means a carrier or carriage service provider seeking the supply of one or more of the Declared Services by Telstra.

ACMA means the Australian Communications and Media Authority.

GST has the same meaning as in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth).

Legislative Event means:

- (a) the enactment, amendment, replacement or repeal of the Telecommunications Act, the TPA, the *Telecommunications (Consumer Protection and Service Standards) Act 1999* (Cth) or other telecommunications-related legislation or subordinate legislation; or
- (b) the registration, making, promulgation, issue, amendment or replacement of any code with which Telstra is required or obliged to comply; or
- (c) the making of a determination or finding by a Regulator or a court of law that all or any part of this Undertaking contravenes any provision of any law, except to the extent that the making of such determination or finding constitutes a Regulatory Event; or
- (d) the determination, addition, variation or removal of a Service Provider Rule (as defined in section 98 of the Telecommunications Act) applicable to Telstra.

Regulator means the ACCC, ACMA, the Minister administering Part XIB and Part XIC of the TPA, the Minister administering the *Australian Communications and Media Authority Act 2005* (Cth) or the Minister administering the Telecommunications Act, as the context requires.

Regulatory Event means:

- (a) the issue of a Competition Notice by the ACCC to Telstra; or
- (b) the grant of an injunction against Telstra in relation to a breach or alleged contravention of the TPA (if any); or
- (c) the declaration, addition, variation or removal of a condition applying to Telstra's Carrier Licence; or
- (d) the giving of a lawful directive to Telstra by a Regulator; or
- (e) the giving of a direction to Telstra by the Minister.

Telstra Unconditioned Local Loop Service means the access service specified in the Attachment to this Undertaking.

Undertaking means this undertaking to the ACCC under Division 5 of Part XIC of the TPA including the Attachment.

1.2 In this Undertaking unless the contrary intention appears:

- (a) the singular includes the plural and vice-versa;
- (b) a reference to an agreement or another instrument includes any variation or replacement of either of them;
- (c) a reference to a Recital, Schedule or Attachment is a reference to a recital, schedule or attachment to this Undertaking and a reference to this Undertaking includes a Recital, Schedule or Attachment;
- (d) a reference to a statute, ordinance, code or other law includes regulations and other instruments under it and consolidations, amendments, re-enactments or replacements of any of them;
- (e) the word person includes a firm, body corporate, unincorporated association or an authority;
- (f) a reference to a person includes the person's executors, administrators, successors, substitutes (including, without limitation, persons taking by novation), and permitted assigns;
- (g) all dollar amounts are expressed in Australian dollars;
- (h) a reference to a period of time:
 - (i) which dates from a given day or the day of an act or event is to be calculated exclusive of that day; or
 - (ii) which commences on a given day or the day of an act or event is to be calculated inclusive of that day; and
- (i) an expression which is given a particular meaning in the Telecommunications Act or the TPA and which is not otherwise defined in this Undertaking has that meaning in this Undertaking.

1.3 Headings are included for convenience and do not affect the interpretation of this Undertaking.

2 Commencement and Duration

2.1 This Undertaking comes into operation immediately after acceptance of the Undertaking by the ACCC under Division 5 of Part XIC of the TPA and continues, subject to paragraph 3.2(b), until the earlier to occur of:

- (a) 31 December 2010;
- (b) termination or withdrawal of this Undertaking in accordance with the TPA;

- (c) the Telstra Unconditioned Local Loop Service ceasing to be service of a kind to which a declaration under section 152AL of the TPA applies; and
- (d) a finding, order or declaration by a court of competent jurisdiction that Part XIC of the TPA is invalid as it relates to the Declared Service or that the Declared Service is not a service of a kind to which a valid declaration under Part XIC is in force.

3 Undertaking Terms and Conditions

- 3.1 Telstra undertakes to the ACCC that during the period this Undertaking is in effect pursuant to clause 2.1, it will comply with the terms and conditions specified in the Attachment to this Undertaking in relation to the standard access obligations applicable to Telstra in respect of the Declared Service.
- 3.2 For the avoidance of any doubt, this Undertaking:
 - (a) does not specify all the terms and conditions on which Telstra will comply with the standard access obligations that are applicable to it in respect of the Declared Service referred to in clause 3.1, but only some of them, and therefore does not constitute an offer by Telstra to provide the Telstra Unconditioned Local Loop Service to an Access Seeker;
 - (b) does not apply to the Declared Service to the extent that there are no standard access obligations applicable to Telstra in respect of the Declared Service for reasons including, without limitation, the granting of an exemption by the ACCC under section 152AT of the TPA in respect of the Declared Service or the variation or revocation of a declaration by the ACCC under section 152AO of the TPA in respect of the Declared Service;
 - (c) may be withdrawn by Telstra at any time;
 - (d) is given:
 - (i) without prejudice to Telstra's contention that the Declared Service is not validly regulated by Part XIC;
 - (ii) without prejudice to Telstra's contention that the Declared Service is not the subject of a valid declaration which is still in force; and
 - (iii) in the event that, contrary to Telstra's contentions, Part XIC does regulate access to, and the supply of, the Declared Service; and
 - (e) is of no effect and will be withdrawn if any of Telstra's contentions described in clause 3.2(d) are correct or Telstra is successful in the Proceedings.

4 Notice of Withdrawal, Replacement and Variation of this Access Undertaking

- 4.1 If the ACCC varies a declaration relating to the Declared Service, Telstra may give the ACCC notice of a variation of this Undertaking under section 152BY of the TPA to effect

variations of an equivalent nature, and to the extent reasonably necessary, to maintain consistency between this Undertaking and the varied declaration.

- 4.2 If:
- (a) a Legislative Event occurs and that Legislative Event materially affects the rights or obligations of Telstra under this Undertaking; or
 - (b) a Regulatory Event occurs in relation to Telstra; or
 - (c) a Regulator or Telstra considers that a part of this Undertaking contravenes any provision of the Telecommunications Act, the *Telecommunications (Transitional Provisions and Consequential Amendments) Act 1997 (Cth)*, the *Telstra Corporation Act 1991 (Cth)*, the *Telecommunications (Consumer Protection and Service Standards) Act 1999 (Cth)* or the TPA,

Telstra may give the ACCC notice of a variation of this Undertaking under section 152BY of the TPA or notice of a replacement of this Undertaking under section 152CB of the TPA to effect such variations as are necessary or appropriate to comply with or address the Legislative Event or Regulatory Event or the concerns set out in clause 4.2(c), as the case may be.

- 4.3 Nothing in this clause 4 is to be taken as limiting Telstra's rights or the ACCC's powers and responsibilities in relation to this Undertaking under Division 5 of Part XIC of the TPA.

Attachment - Service Schedule x 167 Telstra Unconditioned Local Loop Service

Service Schedule x167 - Telstra Unconditioned Local Loop Service

Part A: General

1 Definitions

- 1.1 Words that are capitalised but not otherwise defined in this Attachment have the meanings given in the main body of this Undertaking. In addition, the following terms used in this Attachment shall have the meanings set out below unless the context otherwise requires:

Authorised Equipment means equipment that complies with the Network Deployment Rules for connection to the Telstra Unconditioned Local Loop Service.

Band 2 Exchange Service Area means the exchange service areas set out in the Annexure to this Attachment.

Communications Wire is a copper based wire forming part of a public switched network.

End User means the end user or proposed end user to whom the Access Seeker supplies or proposes to supply a telecommunications service using a Telstra Unconditioned Local Loop Service.

End User Premises means the premises of an End User to which the Telstra Unconditioned Local Loop Service is or will be provided.

Exchange Building means a building used to house a TCAM. For the avoidance of doubt, an Exchange Building does not include any roadside cabinet or pillar.

IRIM means an integrated RIM.

MDF means main distribution frame.

Monthly Charge has the meaning given in paragraph 2 of Part C of this Attachment.

Network means a system or series of systems capable of carrying communications by means of guided or unguided electromagnetic or optical energy.

Network Boundary means in relation to a line that enters a building on the End User Premises:

- (a) if there is an MDF in the building and the line is connected to the MDF - a two wire point on the side of the MDF nearest to the End User; or
- (b) if paragraph (a) does not apply but the line is connected to a network termination device located in, on or within close proximity to, the building - the side of the device nearest to the End User; or
- (c) if neither paragraph (a) nor (b) applies - the point ascertained in accordance with section 22 of the Telecommunications Act.

Network Deployment Rules means the Industry Code entitled *Unconditioned Local Loop Service - Network Deployment Rules* (ACIF C559:2005) registered by ACMA under section 117 of the Telecommunications Act, as amended from time to time.

RIM means a remote integrated multiplexer which is a pair gain system that employs multiplexing to derive circuits and which provides dial tone, ring current and battery feed.

RSS means a remote subscriber stage which provides dial tone, ring current and battery feed.

RSU means remote subscriber unit which performs an equivalent function to a RSS.

Telstra Customer Access Module or TCAM is a device owned by Telstra that provides dial tone, ring current and battery feed to customer equipment. Examples include a RSS, a RSU and an IRIM.

Telstra Unconditioned Local Loop Service means the service provided by Telstra under this Service Schedule and described in paragraph 1 of Part B of this Attachment.

ULL Ordering and Provisioning Code means the Industry Code entitled *Unconditioned Local Loop Service - Ordering, Provisioning and Customer Transfer* (ACIF C569:2005) published by the Australian Communications Industry Forum dated June 2005, as amended from time to time.

ULL POI means, in relation to a line, a point that is an agreed point of interconnection located at or associated with a TCAM and located on the End User side of the TCAM.

ULL Service Fault Management Guideline means the draft Industry Guideline entitled *Unconditioned Local Loop Service - Fault Management* (ACIF G572:2001) prepared by the Australian Communications Industry Forum dated September 2001, as amended from time to time.

Part B: Service Description

1 Service Description

Telstra Unconditioned Local Loop Service

- 1.1 The following service description is provided for Telstra Unconditioned Local Loop Service and applies to the provision of the Telstra Unconditioned Local Loop Service by Telstra to the Access Seeker.
- 1.2 Telstra Unconditioned Local Loop Service is a service for the use of a unconditioned Communications Wire between the Network Boundary at the End User Premises and a ULL POI associated with the TCAM serving that End User.
- 1.3 Telstra Unconditioned Local Loop Service will support a connection with DC continuity.

Availability

- 1.4 The availability of Telstra Unconditioned Local Loop Service may vary depending on the geographic and technical capability of the Telstra Network at the time at which a request for Telstra Unconditioned Local Loop Service is made or the Telstra Unconditioned Local Loop Service is delivered.

Cable Plant Information

- 1.5 Telstra will, in accordance with the ULL Ordering and Provisioning Code, provide the Access Seeker with information in Telstra's records about the cable plant used to provide the Telstra Unconditioned Local Loop Service.
- 1.6 The Access Seeker acknowledges that the information provided to the Access Seeker by Telstra under paragraph 1.5 of this Part B will be derived from Telstra's records and that Telstra makes no representation as to the accuracy of that information.

Industry Standards

- 1.7 The Access Seeker must comply with the applicable industry safety standards, including the specifications set out in the Network Deployment Rules for voltages and currents on the Telstra Unconditioned Local Loop Service.
- 1.8 The Access Seeker must install all necessary surge protection to safeguard against personal injury and damage to equipment.

2 Access Seeker Obligations

The Access Seeker must comply with the ULL Fault Management Guideline, the Network Deployment Rules and the ULL Ordering and Provisioning Code.

3 Facilities Access

The Access Seeker will need to enter into with Telstra such facilities access arrangements as are necessary in order for it to connect its network to a Telstra Unconditioned Local Loop Service at the ULL POI. However, facilities access is not a matter dealt with by this Undertaking.

4 End Customer Billing

The Access Seeker is responsible for billing the End User for the telecommunications service provided by the Access Seeker to the End User.

Part C: Telstra Price List

1 Charges for Telstra Unconditioned Local Loop Service

- 1.1 The charges payable by the Access Seeker to Telstra for the Telstra Unconditioned Local Loop Service comprise:
- (a) a once only charge payable at connection (“**connection charge**”) (although this charge is not a matter dealt with by this Undertaking);
 - (b) a monthly charge (as described in clause 3). The monthly charge for certain Telstra Unconditioned Local Loop Services is not a matter dealt with this Undertaking (as set out in paragraphs 1.2 and 2 of this Part C); and
 - (c) charges for other aspects of the service, including operational aspects such as service qualification inquiries and order withdrawals (although these charges are not a matter dealt with by this Undertaking).
- 1.2 Certain charges are dependent on the exchange service area in which the Telstra Unconditioned Local Loop Service is located. Only the monthly charge for Telstra Unconditioned Local Loop Services connected in Band 2 Exchange Service Areas is dealt with by this Undertaking.

2 Monthly Charge

- 2.1 The monthly charge for each Telstra Unconditioned Local Loop Service connected at an Exchange Building in a Band 2 Exchange Service Area is \$30.00 (“**Monthly Charge**”).
- 2.2 The monthly charge for each Telstra Unconditioned Local Loop Service connected:
- (a) at other exchange service areas; or
 - (b) at places other than at an Exchange Building in a Band 2 Exchange Service Area,
- are not matters dealt with in this Undertaking.

3 Validity

The Monthly Charge is valid from the date this Undertaking comes into operation in accordance with clause 2.1 of the Undertaking until this Undertaking ceases to have effect in accordance with clause 2.1 of the Undertaking or otherwise.

4 GST

The Monthly Charge is exclusive of any applicable GST, which must be borne by the Access Seeker.
