Dear Sir,

As I am unable to attend the meeting at Accc on June 25th. re postal charge rises, I would like to register some comments for your consideration.

Postal charge rises will affect many Senior Citizens as many rely on the postal service for

- a) correspondence with friends and family.
- b) correspondence by card for special occasions.
- c) bill paying as many unable to get to a post office or use credit card facilities.

Not all Senior citizens are "on line" although some are quite competent in this area.

There are others in the community who are also on limited incomes who may be affected by these proposed changes. Our finances are constantly being stretched!

Yours faithfully,
Audrey Potts.

(Mrs. A. Potts.)
