Dear Mr Fletcher

OPTUS 2007 MTAS UNDERTAKING: REQUEST FOR ACCESS TO WIK MODEL

I refer to Mr Jason Ockerby's letter of 5 April requesting access to the WIK Mobile Network and Cost Model.

The decision to use the WIK Mobile Network and Cost Model to assess the Optus 2007 Undertaking as well as the process in making that decision is ultimately a matter for the Commission.

I am unable to pre-empt any Commission decision in this respect. However, if the Commission does propose to use the WIK Mobile Network and Cost Model to assess the Optus 2007 Undertaking, it would be reasonable to assume that the Commission would provide access to the WIK Mobile Network and Cost Model at an appropriate time to Optus, along with all other interested parties, in order to assist them in making any further submissions in respect of this matter.

If you have any queries in relation to this request please feel free to call Gwenda Gleeson on (02) 9230 9188.

Yours sincerely
