Dear Mr Carvill,

**ACCC final determination on exemption of T-Ports Pty Ltd's port terminal facility under the Port Terminal Access (Bulk Wheat) Code of Conduct.**

This letter is to formally notify you that the ACCC, pursuant to subclause 5(2) of the Port Terminal Access (Bulk Wheat) Code of Conduct (Code), has determined T-Ports Pty Ltd (T-Ports) to be an exempt service provider of port terminal services provided by means of its port terminal facility at Lucky Bay.

An ACCC final determination document confirming the exemption is available on the ACCC's website at: <https://www.accc.gov.au/regulated-infrastructure/wheat-export/t-ports-lucky-bay-wheat-port-exemption-assessment>.

As you are aware, exempt service providers are not required to comply with Parts 3 to 6 of the Code but are still required to comply with Part 2 of the Code. The obligations in Part 2 require T-Ports to deal with exporters in good faith and to publish certain information on its website. This information includes T-Ports' port loading statement, policies and procedures for managing demand for port terminal services, standard terms and reference prices.

If you have any queries, please contact Katie Young on (03) 9290 6980 or Scott Sanderson on (03) 9658 6527.

Yours sincerely,

Matthew Schroder
