Dear Mr Salisbury

AGEA has no objection to the variation to extend the timeframe by which Viterra must introduce an auction system. AGEA looks forward to being able to participate in the ongoing consultation process in regard to Viterra's proposed auction system.

Regards
Rosemary

Subject: Seeking written submissions on the Viterra application to vary its undertaking [SEC=UNCLASSIFIED]

Stakeholders,

Application to Vary 2011 Undertaking – seeking comment

Viterra Operations Ltd has made an application under section 44ZZA(7) of the *Competition and Consumer Act 2010* to vary its 2011 Undertaking.

The proposed variation extends the timeframe by which Viterra must introduce an auction system, provides the ACCC with greater flexibility in its ability to withdraw an Auction Variation Notice, and includes arrangements for reopening the shipping stem for the 2012-2013 export season if an auction system has not yet been introduced.

The ACCC invites industry and interested stakeholders to make submissions by 7 May 2012.

For more information please contact Kerry Leigh Taylor on ph: 03 9290 6922. Viterra's proposed amendment is available at www.accc.gov.au/viterra
