

## Insurance in Cairns

I live in [REDACTED] Manunda (QLD) and the cost of insurance is ridiculous with increases of over 10 times since 2005.

I was originally with AAMI for my insurance in 2005. Over this period my insurance gradually increased from about \$1,500 to the latest quote from AAMI which is \$14,753.39 for 12 months home and contents. This equates to approx. 283 per week! I have not made a single insurance claim during this period.

This is a blatant price gouging and AAMI should be asked to justify their pricing. When they can't offer a valid explanation further action should be taken against them. This problem is not just limited to AAMI. I regularly get quotes of over \$10,000 from other insurers and most companies will now not offer insurance in my area.

Something needs to be done to regulate the industry as people just cannot afford these sort of prices and will no longer insure their homes.
