Subject: Excessive fees money transfer via [Redacted]

A few months ago we had the most supervising experience trying to send \$100 as a gift to a family member in Romania.

Once all fees were taken out the recipient received in total approximately \$8 Australian dollars.

Challenge the bank and they said that's what it cost them to send the money.

If this is of interest for your study,
Let me know and I will try to find transaction history and provide evidence for you.
