c.c. MMUA Directors and Members

Dear Ms Arblaster:

Major Mail Users has considered in detail the Draft Price Notification for IMPACT MAIL dated 2 August 2004 submitted to the Commission by the Australian Postal Corporation Ltd.

Australia Post informally briefed our members at a special meeting on 11 March 2004 on its Impact Mail proposals in broad detail, and subsequently met with the Board of Directors on 29 June 2004 to provide detailed information on the pricing elements of the proposal.

In our opinion, Australia Post has met the requirements for consultation with us set out in the AP-MMUA Code of Practice and the Protocol for Consultation (September 2001) and the Board of Directors has authorised me to advise you that we have no objections to the proposals contained within the Draft Price Notification, nor any comments to make on any matters arising therefrom.
