Dear Mr Wing

On behalf of the South Australian Farmers Federation (SAFF) Grains Industry Committee, I am forwarding a submission in relation to the ACCC's Draft Decision on the ABB Grain Ltd Terminal Services Access Undertaking.

In this submission, mention is made of the need for a pricing model. Currently the Committee is still investigating this, but it is hoped that we will be in a position shortly to provide some supplementary comments.

Representatives from the Committee are willing to meet with ACCC to clarify the points made in this submission and to discuss their concerns further.

Yours sincerely
