Dear Katie

Re: Commencement of Bulk Wheat Export through T-Ports Lucky Bay

Please be advised that the Lucky Bay facility is now operational and capable of handling bulk wheat. We anticipate our first bulk wheat shipment will commence on or about the 11th of March 2020.

On behalf of T-Ports I would also like to advise the ACCC that there has been no material change to the information provided in the T-Ports submission in support of an exemption from Parts 3-6 of the Port Terminal Access (Bulk Wheat) Code of Conduct.

T-Ports has commenced the publishing of information on our company website that is required for compliance to part 2 of the Port Terminal Access (Bulk Wheat) Code of Conduct, including Shipping Stem, Storage and Handling Agreement, 2019/20 Price Book and Port Loading Protocols.

Yours sincerely
