Dear Mr Wright

Telstra's Metro and CBD domestic transmission capacity service (DTCS) Exemption Applications

Telstra wishes to supplement its response of 30 June 2008 to the Commission's information request, by providing the following information in relation to question [1] of that request:

The Attachment to this letter (including Appendices 1 and 2) contains information confidential to Market Clarity. However, Telstra will provide a public version of the Attachment shortly.

If you have any questions about this letter or the attachments to it, please contact Paul McLachlan on 02 9298 5559.
