Public version

Dear Mr Wright

Telstra's domestic transmission capacity service ("DTCS") exemption application of 24 August 2007

I refer to my letter of 19 June, attaching a letter from Market Clarity which Market Clarity stipulated could only be provided to the ACCC due to the commercial value of the information it contained.

Attached to this cover letter is a version of the earlier letter from Market Clarity (dated 18 June 2008) that Market Clarity permits Telstra to provide to interested parties who have signed confidentiality undertakings.

Yours sincerely

A handwritten signature in black ink, appearing to be "Tony Warren". The signature is fluid and somewhat abstract, with a long horizontal stroke extending to the right.
