\*Supplied by Soul Pattinson Telecommunications Pty Ltd (ABN 79 001 726 192) in Soul network coverage areas with available infrastructure only. Installation charge is site dependent. -Speeds vary based on a range of factors including distance from exchange quality of copper, electrical interference, customer cabling, RIM or pair gain may limit connection speed. As at 9/2/09 more than 80% of Soul's EFM customers obtained a connection speed of 10Mbps or more. For full terms and conditions, please contact Soul.
