Hi Ian

Yesterday we received a small Christmas gift hamper from Avant Card to share between me and my colleague, [REDACTED]. We have worked with this service provider for showcasing product safety postcards in public venues such as cafes, art galleries, university etc.

Looking at the contents of the gift hamper and considering any conflict issues, we have decided to not return the gift and have also decided to donate most of the hamper's contents to the Melbourne Social Club.

Attached is the Gift Declaration Form. Please advise if you require anything further from us.

Kind regards
