Rod and Rayne,

# Released under FOI

Last night I attended a dinner in Tokyo as a guest of Dave Poddar and his partners. There were a number of clients in attendance including Competition Counsel with Microsoft. There were a number of courses and I imagine it would have been expensive certainly more than 60 or 70 dollars.

The purpose of this note is to disclose my receipt of this benefit.

I should add that I had lunch with a competition lawyer from Google and Scott Hammond - any undue influence on me from Microsoft will have been neutralised by that engagement!
