Dear Jo,

I did a breakfast seminar for the Law Institute and they gave me a bottle of wine – it is white wine I expect worth around \$25 to \$35.

Ordinarily instead of declaring such gifts I donate them to the social club in Sydney for them to raffle. I decided not to do this with this bottle but instead would prefer to give it to my wife. I had to go overnight to Melbourne to do this seminar and as a consequence my wife had some onerous domestic duties to perform which I would otherwise have done. She seemed to deserve it more than the social club!

I hope this is ok on this one occasion.
