Hi

I'm behind on this.

- I was given two bottles of wine by FamilyCare for speaking at their AGM. (Have given one away and plan to give the other to Brent, who helped with the speech, when I remember to bring it in)
- Skeptics conference – I was given a bottle of wine(a red from Brian Schmitz's winery which he signed and sent for the conference speakers once he had to drop out). I am planning on keeping it if that's OK. If not will donate it to a staff raffle.
- A bunch of desk stuff (notebook, pen, something which escapes me) all labelled QIT from doing the annual address to the Consumer Law Conference – these I've given to kids.

If you need dates, Sophia can provide them.

Cheers

Delia
