705#001 Intentions for gift

The ACCC regularly gives presentations to this
organisation and I understand that the gift is usually a
bottle of wine that is then donated to the social club. It is
my understanding that the ACCC will continue to give
presentations to this organisation. I intend to contact the
organisation and advise them that gifts should be less
than \$50 and identify categories of inappropriate gifts.
Further should, you consider I should return the gift and
not donate it to the social club I will do so within 7 days.

Energy Australia is hosting a dinner with its board (invite pasted below) and has invited chairs etc from various energy market bodies, including the AEMC, AEMO, AER and the ACCC. They originally invited Rod Sims, but he couldn't attend, and suggested I go in his place. It is at an expensive restaurant so I am assuming it is worth well over \$50. I note that Paula Conboy, Chair AER, and [REDACTED]

[REDACTED] are also scheduled to attend. --invite--- Graham Bradley, Chairman and Catherine Tanna, Managing Director EnergyAustralia would like to invite you to join the Board of EnergyAustralia for dinner on Wednesday 25 May

Time: 6:00 pm Private Dining Room (upstairs) Cumulus Inc 45 Flinders Lane Melbourne VIC 3000 the dinner is on Wed 25th.

[REDACTED] I note that Paula Conboy and [REDACTED] are also attending. unknown

If we were actively considering a significant energy matter in mergers, I would not attend. But we are not at the moment. I do not consider the dinner would interfere with my duties in any way.

Bottle of wine was given to Chairman as a gift, he has requested to donate the bottle to the Sydney Social Club

I am soon to transfer from water to Comms and had mentioned this to an officer in the Queensland Department of Natural Resources and Mines (Mr Aaron Stasi) with whom I have worked closely at times over the last 8-9 years. While I was on leave recently, this person sent me (via the ACCC office) a package with a note expressing appreciation for my work with Queensland over the years and wishing me well in my new role.

Armani code eu de toilette pour homme 75ml seems to retail at approximately \$70-\$80 Viktor & Rolf Flowerbomb eu de parfum 50ml approximately \$70
 The gift was provided in a package delivered to the ACCC's Melbourne office addressed to me. The package arrived while I was on leave.
 \$140 - \$150

Attendees included VCA staff from both Hanoi and Ho Chi Minh, as well as DOJ/FTC staff who were presenting at the conference also. I think it was as an acknowledgement and a thank you. VCA contact person (Nga) was or became aware that my husband had come to Vietnam too, and he was invited to attend dinner as well. Dinner lasted about 1/12 - 2 hours.

NGA and other representative of the Vietnam Competition Authority, took myself and 2 other presenters (from US) out for dinner after conference at which I presented 3 papers in Ho Chi Minh City. Would have been rude to refuse sign of hospitality, and a thank you.
