PRODUCT SAFETY AUSTRALIA

Submission received

Thank you. Your recall notification has been submitted to the Consumer Product Safety Team for review. The Consumer Product Safety Team will review the submission to ensure it complies with your legal obligation to inform the Minister under subsection 128(2) of the Australian Consumer Law. You should note that your notification will not be published to the Product Safety Australia website until it has been reviewed, after which, it will be published to the Product Safety Australia web site, if appropriate.

If you have any queries and need to contact the Consumer Product Safety Team, please send an email to recalls@accc.gov.au quoting the recalls reference provided.

Progress reporting

In order to monitor the progress of this recall, the ACCC requires that you supply regular Progress Reports. The Consumer Product Safety Team will discuss the requirements of these reports and provide a reporting schedule to you that appropriately reflects the risk being addressed. Progress reports can be submitted online via the Product Safety Australia web site.

A Progress Report reminder email will be sent to you 7 days before the Progress Report is due.

Your reference number is **accc-psa-recall:10650**.
