Dear Madam/Sir

**Clean Energy Council & Ors application for authorisation of New Energy Tech  
Consumer Code AA1000439 —final determination**

The Australian Competition and Consumer Commission (the ACCC) has issued a determination in respect of the application for authorisation lodged by the Clean Energy Council, the Australian Energy Council, the Smart Energy Council and Energy Consumers Australia (together the Applicants) on 30 April 2019.

The Applicants sought authorisation, including on behalf of future signatories to the New Energy Tech Consumer Code (Consumer Code), to agree, sign up and give effect to the provisions of the Consumer Code.

A copy of the ACCC's determination is attached, including a summary of its reasons. For the reasons set out in its determination, the ACCC has decided to grant authorisation, subject to conditions, for five years.

**Application for review**

Pursuant to section 101 of the *Competition and Consumer Act 2010*, a person dissatisfied with this determination may apply to the Australian Competition Tribunal (the Tribunal) for its review. An application for review must be made within 21 days of the date of this determination; that is, on or before 30 December 2019. If no application for review is lodged by this date, the ACCC's determination will come into force on 31 December 2019.

An application for review of the ACCC's determination should be lodged directly with the Tribunal. The Tribunal is a separate body from the ACCC and is located within the Federal Court of Australia.

For further information about the process involved in reviewing decisions in the Tribunal please refer to the Tribunal's website located at <http://www.competitiontribunal.gov.au/>.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter please do not hesitate to contact Kaitlin Hanrahan on 03 9290 1917.

Yours sincerely
