Dear Sir/Madam

Registration with ANKC recognised registration bodies

We refer to our earlier correspondence with the ACCC in relation to ANKC's application for authorisation lodged on 28 May 2019.

Further to our earlier correspondence, we confirm that our client, ANKC, is seeking authorisation for an amendment to the Code of Ethics requiring Registered Breeders and Owners to register dogs with ANKC recognised registration bodies.

Our client is not seeking an amendment to the Code of Ethics which requires Registered Breeders and Owners to register dogs exclusively with ANKC recognised registration bodies or which precludes Registered Breeders and Owners from registering dogs with non-ANKC recognised registration bodies.

Please do not hesitate to contact us if the ACCC requires further information.

Yours faithfully
Piper Alderman
