Dear Mr Pearce

Authorisation AA1000448 submitted by Metropolitan Waste and Resource Recovery Group & Ors – request for material to be excluded from the public register

I refer to the Metropolitan Waste and Resource Recovery Group & Ors (**MWRRG**) application for authorisation lodged with the ACCC on 23 July 2019.

I have considered your request that the confidential version of the application be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an application for authorisation may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the confidential version of MWRRG's application will not be placed on the public register. I note that you also provided a public version of MWRRG's application. This will be placed on the public register in the form it was provided to the ACCC.

This letter will also be placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to Tessa Cramond on 03 9658 6516.

Yours sincerely

David Jones
