Good morning Lyn, Naomi, Penny and Beth,

Pilbara ISOC Co thanks you for the time and effort ACCC staff have devoted to discussing its application.

The Company still intends to seek authorisation, but has decided to revise its application.

To ensure all parties have sufficient time to deal with any changes, and in light of the interim protection afforded by regulation 16A of the *Electricity Industry (Pilbara Networks) Regulations 2021*, the Company has decided to withdraw the current application, and will shortly submit a revised application.

Please take this email as a notice under section 88(7) of the Act, withdrawing the current application.

Regards,

Matt
