

## **Clean Energy Council – Solar Retailer Code of Conduct**

### **Online Application Form - Declarations**

- I declare the applicant company has been in operation for a minimum of 12 months
- I am authorised to make this application on behalf of the applicant company
- I declare the applicant company is responsible for upholding a minimum five year full system warranty including:
  - Products
  - Workmanship
  - Operation and performance
  - Customers will not be referred to manufacturers for warranty issues
- I confirm that the applicant company only uses CEC-accredited designers and installers for designing and installing PV systems.
- I confirm that, during the past five years, no director, manager, partner or shareholder of this organisation, or any of their close family members, has been involved as a director, executive, manager, partner or shareholder of any business that has:
  - suffered insolvent liquidation, whether voluntary or involuntary, or been dissolved appointed an administrator or receiver
  - brokered an agreement with its creditors
  - been expelled from the Code
  - received any court judgements against it
  - received any formal or informal undertakings, civil or criminal, that the CEC deem relevant against it
  - otherwise engaged in any activity which could cause the Code to fall into disrepute
- I declare that the applicant company will disclose to the Clean Energy Council any information regarding:
  - a complaint upheld, in part or in full, by the Australian Competition and Consumer Commission or any state based consumer affairs agency
  - a complaint outstanding or currently under investigation with a consumer affairs agency
- I declare that I, together with all relevant individuals in this organisation, including PV Sales people, have read, understood and agree to comply with the code to the extent that it applies to the business of this organisation.
- I declare the documentation submitted meets the requirements of the Code and understand my application may be rejected if documentation is non-compliant.
- I declare that if approved, the documentation submitted is the documentation that will be used in my daily business.

- I understand that it is a severe breach of the Code to use documents different to those that are assessed in this application and declare that any subsequent changes will be submitted to the Code administrator for further approval.
- I declare that the information provided in this form is true and accurate. I agree to inform the Clean Energy Council immediately should any change in circumstances mean that any of the above declarations are no longer valid.
- I understand that the Clean Energy Council may provide my paperwork attached in support of this application to external parties for legal review and assessment as required.
- I acknowledge that I must pay a \$200 + GST non-refundable administration in order for this application to be processed.
