Dear Robert

Thanks for your call.

As discussed, in terms of competition, a better approach would be for Byron Shire, Ballina Shire & Richmond Valley Councils to publicly seek expressions of interest for the receipt of recyclables and refund sharing of eligible CDS containers.

Lismore MRF may well be the closest facility, but an open testing of the market by the Councils may deliver other options such as other MRFs (SE QLD, Coffs Harbour, or a new MRF, etc.).

I trust that this feedback is helpful,

Thanks & best regards,

Tony Khoury
