Hi Simon, in response:

1. Yes, and thanks and noted re the PDF version
2. I confirm that the track changes I sent through are all the changes to the current authorised version of the Code.
3. Yes, we request interim authorisation for the current authorised version (noting that the expanded CAC is in operation, which we're seeking to formalise in the updated Code as per track changes).

Please let me know if you need anything else. Best, Angus

Hi Angus,

A couple of questions:

1. Do you consent to us publishing the marked up version of the Code on the public register?
We would pdf the version you provided, preserving the track changes.
2. Please confirm that the track changes copy of the Code provided via email on 15 September 2020 includes all changes to the Code since the ACCC granted authorisation on 20 December 2017.
3. Could you please confirm my understanding that the version of the Code for which you've requested the ACCC grant interim authorisation for in your application of 11 September 2020, is the version of the Code that the ACCC granted authorisation to SCCA for on 20 December 2017?

Grateful for a response to Question 1 ASAP as we want to commence consultation tomorrow.

Thanks you and regards

Simon
