Dear Dr Merrett

**Resale Price Maintenance notification RPN10000452 submitted by Meredith Dairy Pty Ltd (Meredith Dairy) – Final Notice**

The Australian Competition and Consumer Commission (the **ACCC**) has released a final notice revoking the resale price maintenance (**RPM**) notification lodged by Meredith Dairy Pty Ltd (**Meredith Dairy**) on 18 April 2019 for its cheese products.

Under the notification, Meredith Dairy proposes to require the retailers who are its direct customers not to sell any of its cheese products below prices nominated by Meredith Dairy, and to require its distributors to impose a similar requirement on the retailers they supply (the **Notified Conduct**).

As the ACCC has issued a final notice revoking the notification, Meredith Dairy does not have statutory protection from legal action to engage in the Notified Conduct.

A copy of the ACCC's final notice is attached.

**Application for review**

The giving of a final notice revoking a notification by the ACCC is subject to review by the Australian Competition Tribunal.

A person seeking review must lodge an application for review with the Tribunal within 21 days of the ACCC giving the final notice.

An application for a review of the ACCC's determination should be lodged directly with the Tribunal. The Tribunal is a separate body from the ACCC and is located within the Federal Court of Australia.

For further information about the Tribunal's process to hear applications for review of ACCC determinations please refer to the Tribunal's website at [www.competitiontribunal.gov.au](http://www.competitiontribunal.gov.au).

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Tessa Cramond on (03) 9658 6516 or [adjudication@acc.gov.au](mailto:adjudication@acc.gov.au).

Yours sincerely
