Dear Naomi

Re: The Hospitals Contribution Fund of Australia Limited – application for revocation of authorisation AA1000402 and substitution of new authorisation AA1000639 – draft determination

Australian Unity Health Insurance would like to thank the ACCC for the invitation to make a submission as an interested party in response to the HCF draft determination dated 20 October 2023.

We have considered the Draft Determination and will not be making a formal submission.

We would, however, like to inform the Commission that we support HCF's proposal and agree with the ACCC that the public benefits outweigh the potential detriments.

Kind regards,

Rebecca Windsor
