1. Person giving the Undertaking

- 1.1. This Undertaking is given to the Australian Competition and Consumer Commission (**ACCC**) by Terminals Pty Limited ACN 000 348 407 (**Terminals**) and Hyperion Investments Australia Pty Limited ACN 600693 945 (**Hyperion**).

2. Background

The parties to the proposed acquisition

- 2.1. *Acquirer*: The Acquirer is Helios Investments Australia Pty Limited (ACN 600 077 352), a wholly owned subsidiary of Hyperion;
- 2.2. *Target*: The Target is GrainCorp Liquid Terminals Australia Pty Ltd (ACN 001 849 805) (GrainCorp), a wholly owned subsidiary of GrainCorp Limited (ACN 057 186 035);
- (together, the **Parties**).

The Proposed Acquisition

- 2.3. The Acquirer proposes, subject to regulatory approvals, to acquire 100% of the shares in the Target from GrainCorp Commodity Management (Holdings) Pty Ltd (ACN 000 013 123) by way of a share sale transaction (the **Proposed Acquisition**).
- 2.4. As a consequence of the Proposed Acquisition, the Target will be operated by Terminals and a wholly owned subsidiary of Hyperion.

Application for informal merger clearance and remedy

- 2.5. On 26 April 2019, the Parties sought informal merger clearance of the Proposed Acquisition from the ACCC. As part of the parties' request for informal clearance of the Proposed Acquisition, **Terminals** has, without admission, offered this Undertaking under section 87B of the Act. The Parties do not consider that the Proposed Acquisition would be likely to substantially lessen competition in any relevant market.
- 2.6. The objective of this Undertaking is to address potential competition concerns the ACCC considers may arise as a consequence of the Proposed Acquisition. The Undertaking aims to achieve this objective by placing obligations on **Terminals** and / or **Hyperion** to:
- (a) ensure that Hyperion, Terminals and any related bodies corporate of Terminals or Hyperion, do not, for a period of 10 years from the Commencement Date of this Undertaking, acquire any direct or indirect interest (including but not limited to a lease or licence) in any land on Coode Island, at the Port of Melbourne, in which Terminals or GrainCorp does not have an interest as at the Commencement Date of this Undertaking, unless Clearance has been obtained;
 - (b) ensure that the Divestiture Business (the terminal operated at Osborne, South Australia, which provides bulk liquid import and export supply services) is sold to an Approved Purchaser;

- (c) create or strengthen a viable, effective, stand-alone, independent and long term competitor in the provision of bulk liquid storage in South Australia;
- (d) ensure the purchaser of the Divestiture Business has all the necessary associated assets and rights to compete effectively with **Terminals** in the provision of bulk liquid storage in South Australia;
- (e) maintain the economic viability, marketability, competitiveness and goodwill of the Divestiture Business prior to divestiture; and
- (f) provide for the effective oversight of **Terminals**' compliance with this Undertaking.

The ACCC's competition concerns

- 2.7. The ACCC considered that in the absence of the Undertaking, the Proposed Acquisition would raise significant competition concerns in bulk liquid storage in South Australia and Victoria. ANZ Terminals and GrainCorp are two large suppliers of bulk liquid storage in an already concentrated industry. The ACCC's view was that the Proposed Acquisition was likely to substantially lessen competition by increasing ANZ Terminals' ability to raise prices and or decrease service levels, due to the reduction in competitors in an already concentrated market.
- 2.8. Absent the upfront divestiture undertaking offered by ANZ Terminals, the ACCC would be concerned that in South Australia:
 - (a) ANZ Terminals and GrainCorp are the only bulk liquid storage providers in Adelaide. ANZ Terminals currently operates the Pelican Point terminal (storing fuel) and the Osborne terminal. GrainCorp currently operates the Largs Bay terminal.
 - (b) the Largs Bay terminal and Osborne terminal overlap in the storage of bulk liquids and the Proposed Acquisition will reduce the number of storage providers in Adelaide from two to one.
- 2.9. In Victoria, the ACCC was concerned that ANZ Terminals and GrainCorp are the two largest providers of non-fuel bulk liquid storage in the Port of Melbourne. However, the ACCC considered that a critical driver of competition was not incumbency, but instead the ability of competitors to expand and win contracts based on new tanks being built on existing vacant land. This undertaking will assist in ensuring that competitive tension from the threat of new tanks being built by competitors will continue into the future.
- 2.10. In addition, GrainCorp's bulk liquid facility at Port Kembla has been excluded from the transaction and will remain part of GrainCorp Limited. The exclusion of the Port Kembla facility alleviated competition concerns in New South Wales.

3. Commencement of this Undertaking

- 3.1. This Undertaking comes into effect when:
 - (a) this Undertaking is executed by **Terminals** and **Hyperion**; and
 - (b) this Undertaking so executed is accepted by the ACCC

(the **Commencement Date**).

4. Cessation of Ongoing Obligations

Withdrawal

- 4.1. **Terminals** and **Hyperion** may request withdrawal of this Undertaking pursuant to section 87B of the Act at any time. This Undertaking is taken to be withdrawn on the date the ACCC consents in writing to that withdrawal.

Revocation

- 4.2. The ACCC may, at any time, revoke its acceptance of this Undertaking if the ACCC becomes aware that any information provided to it was incorrect, inaccurate or misleading.

Waiver

- 4.3. The ACCC may, at any time, expressly waive in writing any of the obligations contained in this Undertaking or extend the date by which any such obligation is to be satisfied.

Survival

- 4.4. Unless and until this Undertaking is withdrawn in accordance with clause 4.1, clauses 1, 2, 3, 4, 10, 12, 13, 14, 15, 16, 17 and 18 survive completion of the obligations in clauses 5, 6, 7, 8, 9 and 11 and Schedule 4 and the Confidential Schedules as applicable.

Time period applicable to clause 9

- 4.5. The provisions in clause 9 of this Undertaking apply from the Commencement Date and expire on the day that is 10 years after the Commencement Date.

5. Divestiture of the Divestiture Business

Divestiture

- 5.1. **Terminals** must, in accordance with this Undertaking, divest, or cause the divestiture of, the Divestiture Business only to an Approved Purchaser.
- 5.2. In the event that clause 11 applies, **Terminals** must not authorise the Approved Divestiture Agent to divest the Divestiture Business to a purchaser other than an Approved Purchaser.
- 5.3. **Terminals** must divest, or cause the divestiture of, the Divestiture Business by:
- (a) the sale, assignment, transfer and/or licence of all of the assets in Schedule 4 to the Approved Purchaser, pursuant to the Approved Sale and Purchase Agreement and within the Initial Sale Period, otherwise clause 10 applies;
 - (b) the transfer or grant to the Approved Purchaser of all Consents pursuant to clauses 5.4 to 5.5;

Consents

5.4. Terminals must:

- (a) obtain or assist the Approved Purchaser to obtain as expeditiously as possible, all Consents as required before completion of the divestiture of the Divestiture Business;
- (b) comply with all requirements necessary to obtain any Consents, including by promptly providing all information necessary for the Consents to be given;
- (c) act in good faith in its negotiations with the Approved Purchaser in relation to obtaining any Consents;
- (d) promptly pay the costs and expenses of any third party reasonably incurred in providing the Consents; and
- (e) enter an agreement with the Approved Purchaser and approved by the ACCC, or vary any existing Approved Transitional Supply Agreement as required by the Approved Purchaser, in relation to any goods or services that are required for the operation of the Divestiture Business which may be affected by any failure to gain a Consent.

5.5. If, seven Business Days before completion of the divestiture of the Divestiture Business, the Approved Purchaser fails to obtain or is unable to obtain one or more Consents, then **Terminals** must:

- (a) immediately provide to the ACCC in writing details of the:
 - (i) Consents that have not been obtained;
 - (ii) reasons why the Consents have not been obtained; and
 - (iii) information or material required to obtain the Consents;
- (b) continue to do everything in its power to satisfy clause 5.4 as soon as possible after the completion of the divestiture of the Divestiture Business (and until such time as clause 5.4 is satisfied).

5.6. Even if **Terminals** has complied with clauses 5.4 to 5.5, it remains a breach of this Undertaking if **Terminals** is unable to effect the divestiture of the Divestiture Business by reason of a failure to obtain Consents.

Transferred Personnel

5.7. At the option of the Approved Purchaser, **Terminals** must transfer to the Approved Purchaser:

- (a) all employees; and
- (b) all service providers under a contract for service;

who are, in the view of the Approved Purchaser, required for the Approved Purchaser to maintain, operate or conduct effectively the Divestiture Business and who consent to the transfer of their employment or contract for service to the Approved Purchaser (**Transferred Personnel**).

5.8. When fulfilling its obligations under clause 5.7, **Terminals** must:

- (a) encourage all Transferred Personnel to remain with the Divestiture Business, including offering incentives based on industry practice;
- (b) not directly or indirectly discourage any Transferred Personnel from any obligations to provide services to the Divestiture Business;
- (c) effective on the date of the divestiture of the Divestiture Business, release the Transferred Personnel from any obligations to provide services to **Terminals**;
- (d) effective on the date of the divestiture of the Divestiture Business, release the Transferred Personnel from any non-compete or similar restraint of trade obligation, to the extent that such an obligation would otherwise prevent the person from performing his or her contemplated role in relation to the Divestiture Business or Unsold Business; and
- (e) not procure, promote or encourage the transfer of any of the Transferred Personnel from the Approved Purchaser to **Terminals** for a period of 12 months after the completion of the divestiture of the Divestiture Business.

Technical Assistance

- 5.9. At the option of the Approved Purchaser, **Terminals** must supply to the Approved Purchaser, under an Approved Transitional Technical Assistance Agreement, any Technical Assistance that is required by the Approved Purchaser in order to operate the Divestiture Business.
- 5.10. **Terminals** must ensure that any Approved Transitional Technical Assistance Agreement, and any renewal or extension of an Approved Transitional Technical Assistance Agreement, provides for the supply of Technical Assistance:
- (a) on a transitional basis for a period that is nominated by the Approved Purchaser and approved in writing by the ACCC; and
 - (b) at cost and otherwise on arm's length terms.
- 5.11. To avoid doubt, **Terminals** must seek prior written approval from the ACCC of any renewal or extension of an Approved Transitional Technical Assistance Agreement. Without limiting the ACCC's discretion, in making a decision on whether to approve a renewal or extension of an Approved Transitional Technical Assistance Agreement, the ACCC will have regard to the criteria set out in clauses 5.9 and 5.10.

Transitional Supply Agreements

- 5.12. At the option of the Approved Purchaser, **Terminals** must ensure the continued supply by **Terminals** to the Approved Purchaser, under an Approved Transitional

Supply Agreement, of any goods or services that are required by the Approved Purchaser in order for the Approved Purchaser to be established as a viable, effective, stand-alone, independent and long-term competitor in the provision of bulk liquid storage in South Australia.

- 5.13. **Terminals** must ensure that any Approved Transitional Supply Agreement and any renewal or extension of an Approved Transitional Supply Agreement:
- (a) is for a reasonable transitional period, to be nominated by the Approved Purchaser and approved in writing by the ACCC;
 - (b) provides for the supply of the included goods and services at cost price; and
 - (c) is on such terms other than price which are no less favourable to the Approved Purchaser than arm's length terms.
- 5.14. To avoid doubt, **Terminals** must seek prior written approval from the ACCC of any renewal or extension of an Approved Transitional Supply Agreement. Without limiting the ACCC's discretion, in making a decision on whether to approve a renewal or extension of an Approved Transitional Supply Agreement, the ACCC will have regard to the criteria set out in clauses 5.12 and 5.13.
