Dear Mr Miles

Re: NEM - Eastern Energy Access Undertaking

Further to your recent telephone conversation with Patrick Murphy of our office, we refer to Eastern Energy Ltd's Access Undertaking forwarded to the ACCC under cover of letter dated 28 October 1998 (and subsequently approved), and we confirm that Eastern Energy Ltd has changed its name to TXU Electricity Ltd.

The Office of the Regulator General (the Victorian Regulator) has been previously advised of the name change.

A copy of this letter is also being provided to NEMMCO by way of advice.

Yours sincerely

Robert Tommasini
Regulation Compliance & Co-ordination Manager.
